DAVE ANDREWS is an Australian Christian anarchist author, speaker, social activist, and community developer who, along with his wife, Ange, and their family have lived and worked in intentional communities with marginalized groups of people in Australia, Afghanistan, Pakistan and India for over forty years. Along with friends, Dave and Ange started Aashiana, Sahara, and Sharan—three Christian community organizations working with slum dwellers, sex workers, and people with HIV/AIDS in India. He is also a part of Waiters Union, an inner-city Christian community network working with Indigenous Australians, refugees and people with disabilities in Australia. Dave is also an Elder for Servants To Asia's Urban Poor, an educator for TEAR Australia, a Christian international aid and development agency, and a lecturer at the University of Queensland and Christian Heritage College.
